Flooded!!!

Unfortunately the month of June was plagued with high water. There were several event that had to be canceled at the club. The pictures on the next page were taken from the Duck Club Facebook page for those of you that haven't had a change to see how high the water went. With a flood comes a lot of work. Our Harbormaster Mike Eberhardt has worked very hard to keep the club looking like the premier yacht club on the Mississippi. This is going to be an ongoing process as the water could go up again. Mike has had several volunteers to help clean the parking lot and will like accept any help he can get as the projects get underway. It's not the first flood and it won't be the last but hopefully that will be it for this year.

Every year during this week our nation takes the time to celebrate our independence from England. It was a hard fought war and many people lost their lives. Most people don't realize how awful the patriots that fought for our nation were treated. Many of them had their families murdered and their homes burned. This was all so that we can live in the land of the free and the home of the brave. So this week among the drinks and fireworks (I will personally be enjoying as much of each as I can) remember to say thanks, even if its silently, to those who helped shape this great nation into what it is. In the words of Lee Greenwood, "God Bless the USA!"

Happy 4th of July

Commodore's Report :

With great regret I must share that Steve Bernstein has resigned from the board as boat insurance director. Steve says that he has really enjoyed his time on the board, but that family health issues are requiring him to step down. Steve was a great contributor and supporter of the board and he will be missed. Thank you, Steve, for all your hard work.

Bob Bales has been appointed as a replacement for boat insurance director this year, until the next board slate can be formalized and voted on at the annual meeting in January. Thank you, Bob, for your support.

The June 3rd board meeting was delayed until June 17th due to flooding. The results of that board meeting are not available at the time of this writing. The next board meeting will be July 8th.

Please come down to the Club and make up for lost time when the flooding clears!

Sincerely

Kathy Laramie
Commodore 2013.

Social Committee weekly drawing tickets are still available. Want a good way to support your club and have the chance to win some money? Each year the Social Committee sells raffle tickets for \$25 each. There will be weekly drawings for \$100 and two \$500 drawings. You can see Sonny Robbins, Bob Bales, or Doug Woods. I believe there are others with tickets, but if you are interested just ask around and they can always be found. No drawings will take place until all the tickets are sold so get them fast.
