DUCK TALES

-SPONSOR OF THE MONTH-

Maze Collision Repair

MAZE COLLISION REPAIR began in 1981 in a barn behind Johnny and Sandy Maze's home in St. Peters. By 1983 they had saved enough money to build a location in old town St. Peters, at the time employing only one person, besides themselves. Twenty-eight years later, they have three locations: St Peters, Wentzville and Wright City, and employ approximately 40 people. They are a preferred "pro shop" for most major insurance companies. Their business hours are Monday thru Friday, from 7AM to 6PM.

MAZE Collision Repair is a DCYC membership family owned and operated business. Johnny and Sandy Maze have two daughters who are also involved in the everyday activities of the business. While we hope we don't have to call MAZE Collision Repair for their services, the winter months are upon us, and should the need arise for this type of repair, please support our own DCYC membership family of businesses, and call MAZE Collision Repair first! Thank you MAZE Collision Repair for sponsoring this issue of the Duck Tales.

Letter From Our 2013 Commodore
Kathy Laramie

To the Duck Club,

Hope everyone is faring well in the off-season. It won't be long now until club opening, and I am looking forward to seeing everyone.

The board of directors met in February and discussed and approved several projects. First, the leveling of the pool-side concrete, approved last year, will continue as planned. Second, a new security system was proposed and approved, that will install a new card access system on the Front gate and G-dock with a wireless link to a database at the clubhouse. This will allow people to enter the gates with a unique keypad code and/or card tied to their dock/social membership/vendor etc.

Additionally 2 cameras at the gate entrance will be installed (to capture face and license plate). This system can be expanded overtime to include cameras at the harbor entrance, etc.

Good news on the procurement of our public water. St. Charles got out of the water business, but we now have an indefinite source of water at a stable price from a St. Louis county location.

See you all soon,

Kathy Laramie
Commodore

From the Harbormaster Mike Eberhardt:

As spring approaches and more activity is happening at the club you will notice that there are new speed limit signs that have been posted on the property. Your speed of 15MPH is very important for the safety of all concerned. Due to the large size of our parking lots it is easy to go fast without realizing your speed. We now have a wind sock out on the rivers edge about 300ft up from the lighthouse. It will serve two purposes,; the first being it is a great indicator of the wind in the harbor when docking, and secondly the Duck Club Yacht Club is an official landing site for air evacuation rescue. The wind sock and related equipment has been donated by Doug Wood and Joe Grygiel who are employees of Air-Evac and currently own three slips in the harbor. They are a great asset to club and Doug is a current board member as the Director of Water.

Dredging will be done late in the month of March by request of owners. If you think you need your slip dredged please call the club at 636-250-4321. Please do not leave a message if the phone is not answered, you will need to call back and talk with me personally. Miscommunication will not be an excuse for missed dredging.

Remember I am available 24 hours a day 7 days a week. If you ever see something you think is not right please do not assume I know about it. I can only be in 2 or 3 places at once.

Thanks

Mike Eberhardt
Harbormaster

The Super Bowl Party was a success this year at \$50 per ticket. 100 tickets were sold, and a total of \$2,750 given out in cash prizes.

Ray Wilson was the big winner walking away with \$800 cash. Ray purchased 6 tickets for the event.

Mega Yacht Pot winners were.

1st quarter was Tony Longo \$400

2nd quarter was Kathy Morrow \$400

3rd quarter was Julie Deutchman \$400

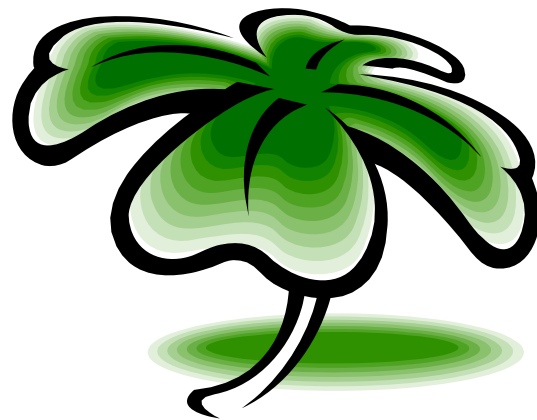

4th quarter was Ray Wilson \$800

Bob Bales didn't do bad himself winning the Yacht Pot and a few other small pots he walked away with over \$200 cash.

Thanks for everyone's support in this event, all 100 tickets were sold. A special thanks goes to Jerry Hadley and Al Foster for all their help making this another successful Social Committee event. We look forward to doing it again next year.

Over \$900 was raised that night.

Submitted by Doug Woods Thanks for all your hard work as well Doug!!!

Don't forget to check out the Duck Tales Online. You can get all your information electronically and the pictures look better. Also, stay tuned to the Facebook page as lots of good reminders and updates will be put up there as the season goes on.
